We spoke earlier. Once again thanks for calling me. Here is a few photos of the logging trucks in question and the video of one running someone almost off the road. The image and security video at 12:29 yesterday 1/18 is the same truck from the dashcam rear footage.

There are a lot of images since before the 1st im only going to submit the most clear as far as the truck logo.

My name is Justin Sandusky  
Address 1598 palmetto ave, deland fl 32724  
I can be reached on either cell
